THE SYSTEM, ITS MACHINES.

Espresso Point
The quality of the coffee blends, the efficiency and reliability of the machines, outstanding user-friendliness, rapid use, and compact dimensions - these are the unmistakable characteristics of Lavazza Espresso Point, the cartridge system that turns a coffee break into a moment of sheer pleasure.

With **EP2100 Pininfarina, EP2400 cappuccinatore** and **Matinee**, your coffee break takes on a new style. Their elegant form adds class and personality to any room or office.

THE CARTRIDGES, YOUR COFFEE BREAK.

The quality and flavour of Espresso Point cartridges for moments of sheer pleasure during your coffee break. Discover the wide range of Espresso Point products - four blends to satisfy any taste, and in addition, there's Lavazza Dek, the coffee that is good first, and decaffeinated second.

COMPLEMENTARY PRODUCTS, THE PLEASURE OF ALWAYS HAVING MORE.

Espresso Point wants to put more pleasure in your coffee break with Di Più, the line of complementary products that will fit in with whatever your daily preference may be.
The Di Più capsules stand out thanks to their exclusive formulations, which are specially designed for the Lavazza capsule systems, and for the wide range of choice they offer: the flavours range from classic to whimsical to satisfy the widest variety of tastes.
