

METRE

**The New
Coffee Point**

Contents

This is a new mobile coffee corner, named “Metre”, specially designed for Lavazza coffee machines (LB 1000, LB 2200, EP). It can be easily moved thanks to the small wheels and brakes for the stability.

It's specially designed for offices, hotels, restaurants and events

Metre has:

- a top where to place the machine
- a drawer where to store the box with the cartridges, plastic glasses, sugar and stirers
- a removable panel for adv

Metre is available in 2 versions:

- “standard”
- “deluxe” version with a mini fridge with a capacity of 40 litres.
